RANK (Rnk): *Legislators are ranked according to their score with #1 being the best.*

SCORE (Scr): *A higher score indicates that your legislator has spent your tax dollars well. A lower score indicates that your legislator has voted to wastefully spend your tax dollars.*

Although we have highlighted the few ***Scores above 50****, it is not adequate to protect your tax dollars only 50% of the time. We consider a* ***Score of 70 and above*** *acceptable, and those lawmakers receiving a* ***Score of 85 points or more*** *have truly been good stewards of your money.*

The Kentucky Club for Growth is a nonpartisan taxpayers' advocacy group. We score legislators on fiscal issues only. In other words, only those votes which affect the pocketbook of Kentucky's working families are considered.

The primary purpose of the Kentucky Club for Growth is to be the *TAXPAYERS VOICE* in Frankfort by holding legislators accountable for votes resulting in a harmful financial impact to Kentucky families.

The Kentucky Club for Growth is a nonpartisan group of citizen-taxpayers dedicated to expanding the prosperity of working families through the Reagan Doctrine of lower taxes, smaller government and strong free-enterprise.
